I volumi e linee geometriche ben definite definiscono la collezione Club, serie di poltrone e divani dal gusto sobrio ed elegante, progettata sia per l'ambiente domestico e contract che per gli ambienti comuni.

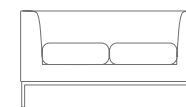

La struttura è disponibile in due varianti: dai profili squadrati color argento e con piedini in legno in rovere naturale e wengè. Poltrona e divani possono essere personalizzati anche con possibili lavorazioni speciali su richiesta come l'utilizzo di materiali e colori differenti.

The volumes and well-defined geometric lines define Club, a range of armchairs and sofas with a simple and elegant liking, designed both for domestic or contract use and community environment as well.

The frame is available in two different options: square silver grey metal plate structure or wooden feet in natural or wengè finish. Armchair and sofas can be both customized on demand with special manufacturing as the use of different materials or colours.
